What does VCSE mean?

It stands for Voluntary, Community and Social Enterprise. The term also includes Charities.

Can you run a course just for our organisation?

Yes we can. All of our courses can be run solely for your organisation in their current form or adapted to meet your needs.

Spotlight on ...

Innovative Approaches to Volunteering

Course Description

An exploration into how organisations engage and galvanise volunteers and what can be done to change this current approach in order to address the exciting response currently seen in our communities

This session will be led by a facilitator but ultimately participants will be able to consider their approach to the following:

- Language used
- Formal vs informal approaches
- Listening to the real need
- Everyone has a skill to share
- Volunteer Roles
- Length, duration and type of volunteer placement

Each participant will finish the session with a bespoke action plan that they can take back to their organisation detailing potential changes to their current approach to volunteering.

Who is this course for?

People who lead or manage volunteers

Date Thurs 24th June

Course fees £38 VCSE groups and Town / Parish councils, £50 all others
